End time (H:MM:SS)	Content
0:00:10	Hi, everyone. I'm Nhung.
0:00:16	A few days ago, the company sent me two dishwashing liquid samples.
0:00:23	After using the first sample for three days, I have some comments as follows [shows bottle].
0:00:32	What I like most about this first dishwashing liquid sample is that it lathers up quickly.
0:00:39	In addition, it has the smell of peppermint which is very cooling.
0:00:45	When used to wash dishes, it gives my dishes a great clean smell.
0:00:51	And what I absolutely love about this dishwashing liquid is that it's extremely good at cleaning oils.
0:00:57	When my family has very oily fried dishes like fried fish or chicken wings,
0:01:02	I use a very small amount of this dishwashing liquid, but it lathers up incredibly well.
0:01:05	It also cleans the dishes very well.
0:01:16	It neither leaves a slimy film on my hands nor dries out my skin.
0:01:24	When I wash my dishes, I use an appropriate amount of dishwashing liquid, not too much.

Kind Regards,
